

This game was a great game that demonstrated how Babylon can regroup and accomplish. First half ended with Babylon down 0-3. Babylon did not have a lot of opportunity, except one great chance to score but unfortunately Zakaria Ilias, the new striker promising, shot on the keeper! In the second half, Babylon concentrated on having both wings Issa Al Anzi and Oussama Abdelmajid, while Ali Al-Kassab stayed at the center. At the defense, Karim, Omar and Bishr did great. In the front, Zakaria played most, switching with Jaafar and Amir at times. Also, Salam and Mohamed Al-Sadoon played little resting the wings. This new formation, with the perfection of Ali, resulted in Zakaria creating the first scoring pass to Ali, then two exceptional goals by Ali - a hatrick, then Zakaria gave Babylon the lead with a beautiful effort and shot.
